Lauren Kaltenmark

Surface Designer and Illustrator

Experience

SCAD PRO x Deloitte- Savannah, Georgia

Lead Process Book Manager and Researcher

Fall 2024

- Collaborated with a SCAD team under Deloitte's guidance to develop geospatial tools addressing food and water security for government agencies.
- Served as Lead Process Book Manager and Researcher, overseeing a 250+ page process book documenting team research, workflows, and deliverables.
- Applied design thinking to create infographics, charts, and layouts, ensuring clarity, precision, and alignment with Deloitte's professional standards.
- Designed visual aids to communicate complex geospatial concepts effectively to stakeholders.

Marie's Capstone Project - Savannah, Georgia

Branding & Illustration Support

Winter- Spring 2025

- Collaborated with Marie on her capstone project, contributing to branding and visual identity development.
- Assisted in refining the project's branding direction through brainstorming and design iterations.
- Created custom illustrations to enhance the project's visual storytelling and align with the established identity.
- Applied design principles to develop cohesive visual assets, ensuring clarity and consistency across various applications.
- Provided feedback and design solutions to strengthen the project's overall aesthetic and communication strategy.

Additional Experience

Crooked Stick Country Club- Carmel, Indiana

Cart Staff

Summers 2020-2023

- Supervised cart staff and managed driving range, cart barn, and exterior operations to ensure exceptional service and client care.
- Managed members' golf clubs and services with attention to detail and professionalism, enhancing overall member satisfaction.
- Collaborated with staff to plan and execute special events, providing seamless and memorable experiences for members.
